What happened (rapports)	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
	Date, time, code district nurse Notes Example: Monday, 13/1 8 AM NA2 The client was restless and out of breath . He didn't want to shower. I advised him to call his GP. Please ask tomorrow morning if he wants to shower	Example 14/1 8 AM NA4 He didn't want to shower. He called his GP. 14/1 8 PM CNA5 He saw his general practitioner, who has begun additional diuretic therapy. Body weight should be monitored closely. I e-mailed the BRN's	Example <i>No notes</i>	Date, time, code district nurse Notes	Example 17/1 8 AM CNA1 He was already dressed: 87 kg with clothes, and shoes. Tomorrow morning please weight naked. I noticed no shortness of breath	Example 18/1 7 AM NA1 Naked weight 87 kg contacted BRN2. After the shower he experienced shortness of breath.		Date, time, code district nurse Notes	Date, time, code district nurse Notes	Date, time, code district nurse Notes	Example <i>No notes</i>	Example 24/1 11 AM CNA7 Patient round severely dyspneic and cyanotic. GP contacted; 112 advised. Patient transferred to ED. I called the BRN1 to pause the care of this client and to contact family.	Client is hospitalised	Client is hospitalised
Actions	One week before the ED admission Weeknumber from monday til sunday							Week of the ED admission Weeknumber from monday til sunday						
		Example: Tuesday 14/1 8 PM RN5 (Naked) Weight monitoring has been incorporated into the care plan on Monday, Wednesday, and Friday mornings. Contact the district nurse if weight gain exceeds 2 kg above 84 kg. Please report everyday about his shortness of breath				Saturday Example 18/1 8 AM BRN2 I called the GP about the weight gain. He subscribed another diuretic starting tonight. Advise every day weight monitoring. I changed the care plan to daily weight monitoring						Friday Example 24/1 12 PM BRN1 I called the family and paused the care of this client till further notice.
